Re: street sweeping in Glassell Park

Dear Councilmember Cedillo:

The cleanliness of our streets is an essential element of community pride, and in addition to our regular community clean-up events we'd like to see regular street sweeping on our main thoroughfares and around our schools. We think it will provide a great benefit to our community.

After hearing from numerous stakeholders, and based on its own experience in the community, the Glassell Park Improvement Association formally requests immediate action to provide street sweeping services in Glassell Park.

In Council District One we have identified San Fernando Road, Verdugo Road, Eagle Rock Blvd., Avenue 33 between Division and Verdugo Road and the streets around Glassell Park Elementary School (Cazador, Avenue 30, Avenue 31 and Carlyle) as candidates for regular and ongoing street sweeping.

We thank you for your consideration.

Molly Lynn Taylor, President
Glassell Park Improvement Association
